DETAILED ACTION

Allowable Subject Matter

Claims 1, 3-4, 6-9, 21-25 are allowed.

The following is an examiner's statement of reasons for allowance:

Applicant incorporated the allowable subject matter into independent claim 1 and rewrote claims 7 and 8 in independent form including all intervening claim language therefore all independent claims are considered allowable. Moreover, the remaining claims are dependent and act only to further narrow the independent claims and are therefore also deemed allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
